8:30pm Program & Live Auction

About Team Haverhill

Team Haverhill is an independent, volunteer action group dedicated to making Haverhill a better place to live, learn, work and play. We pursue this purpose by fostering civic dialogue, organizing hands-on projects, creating a more informed public, and advocating for positive change. To learn more, please visit www.teamhaverhill.org.

About the Bradford Rail Trail

The Bradford Rail Trail is a half-mile path running along the Merrimack River between the Basiliere and the Comeau Bridges. In 2008, the City purchased the land compliments of a state grant and a donation from the Greater Haverhill Foundation. The City and the Friends of the Bradford Rail Trail, a volunteer group, created the path for pedestrians, cyclists, joggers and other non-motorized users. The Trail will include a variety of features, including benches, historical and educational markers, and a beautiful mural already installed on the Arthur Sharp Building. Work continues on the Trail today with an official opening in 2015.

About the Art Walk at the Bradford Rail Trail

The Art Walk at the Bradford Rail Trail is an effort by Team Haverhill, in cooperation with the Friends of the Bradford Rail Trail and the City of Haverhill, to add sculptures to the Trail as an additional attraction to the area. Pentucket Bank has generously stepped forward as the Corporate Sponsor of the Art Walk itself. The project's vision is to include 2-3 large, permanent sculptures in addition to 2-3 slightly smaller and possibly rotating pieces. The installation will take place in 2015 in the final stages of the Trail's construction. Fundraising for the project is beginning now to allow time for the artists to be commissioned and craft their pieces. Sculptures selected for display will be chosen by a committee of volunteers and public input is anticipated.

Auction Rules & Procedures

In order to bid you must have a number assigned to you. You should have received a number at the registration table.

Silent Auction

1. Print your bid number and the amount of your bid in the space provided.
2. The minimum bids and raises are listed in the sheets that correspond to the item. Please note these amounts as some items do not start at \$5.00
3. We will announce the closure of the silent auction items during the evening.

Live Auction

1. The auction committee has created a catalog describing all of the live auction items. However, the Auctioneer reserves the right to make verbal corrections and provide additional information from the block or in advance.
2. Please wave your bid card high to attract the attention of the Auctioneer and Room Spotters when you wish to place a bid. The Auctioneer will accept bid increases in the order in which they are spotted, not necessarily in the order in which they are attempted.

Check Out

1. All purchases may be paid for at the end of the auction. Payments can be made by: CASH, CHECK, or CREDIT CARD. Please make checks payable to: Team Haverhill.
2. Please do not cash out until the announcement has been made that the cashiers are ready.
3. Payments must be made at the end of the auction and all items removed.

Team Haverhill reserves the right to hold objects until checks are cleared. The buyer assumes complete responsibility for items at the fall of the auctioneer's hammer. All items are sold "As Is" and sales are final. Some of the lots in this auction are subject to a reserve or minimum selling price, which is a confidential minimum price agreed upon by the consignor and Team Haverhill. The auctioneer may reject any bid or raise no commensurate with the value of the lot. Items may be withdrawn at any time prior to the offer of each lot. The auctioneer has the sole right to settle disputed bids and to decide whether or not to re-offer the lot.
