

Haverhill Public Schools

Office of the Superintendent

March 2, 2015

Dear Members of Team Haverhill:

One dream has become a reality with the new Hunking School.

Some of our other dreams are:

- *State of the Art Library and Media Centers*
- *Annual Technology Updates*
- *Sidewalks at each of our schools*
- *Outdoor Basketball Courts at each school*

Please help one more dream come true, by the updating and possible expansion of the Consentino School to alleviate some of the issues at the Tilton School.

Sincerely,

*James F. Scully
Superintendent of Schools*
