

ISSUE	ACTION STEP	WHO?
A. Solarize Haverhill	Community members join with 2 to 5 people to meet weekly to plan ways to shift Haverhill to more solar power. To meet over next 3 to 5 months. Resources from Solarize-Mass.	Richard Smyth rsmyth64@yahoo.com
B. Incentivize downtown building improvements	Community members connect with existing group called Haverhill.biz to advance this goal	Matt Juros mjuros@fishbrook.com
C. Citywide online calendar--<u>one</u> place to find Haverhill events in <u>every</u> category (civic, entertainment, school activities, free events, etc.)	Haverhill Matters as created such a calendar--Community members invited to learn more and to brainstorm about how to activate it. <u>Monday, April 2 at 7:00 PM</u> , at HC Media's Harbor Place Studio. View a prototype at: https://haverhill.matters.coop/community-events-calendar/	John Cuneo jcuneo@communityactioninc.org
D. Adopting green spaces	Community members join with 2 to 3 others to create a map of all Haverhill green spaces, then promote "adoption" of neglected spaces.	Amy Teodecki amy.teodecki@gmail.com
E. Affordable, creative family activities	Community members connect with neighborhood resident Mirca Mejias. Build relationship with families, hear what they would like, create opportunities for creative expression.	Mirca Mejias mirca.mejias28@gmail.com
F. City trees not cared for	Watering, weeding, mulching--volunteers bring a pail and a pal. Create a database of trees to be cared for; look at how other cities address this need.	Mike Schroth miguelschroth@hotmail.com
G. Expand after-school and summer programs for teens	Community members join with Discovery Club and Bethany Communities to expand opportunities, reach more teens.	Denise Johnson denise.johnson@haverhill-ps.org
H. Lack of restorative, equitable, trauma-informed educational practices in community	Community members become part of a network to promote restorative educational practices throughout the Haverhill community, resulting in responses to children and youth that are equitable and sensitive to impact of traumatic experiences. (more below)	Katrina Hobbs-Everett posecorp@gmail.com

<p>J. Citywide Restaurant Week for Haverhill</p>	<p>“Merrimack Valley Eats” Facebook group has over 1300 members. Want to create a city-wide restaurant week using this brand. Invitation for restaurant owners or people who have been involved in card-based fundraisers (like the one at the High School) to connect.</p>	<p>Gerald Schiavoni gschiavoni@live.com</p>
<p>K. Preserve open space/rural zoning</p>	<p>Build a network to sustain current zoning of rural and special conservation areas. Become a voice in planning/zoning policy, including a petition about a near-term development proposal adjacent to Cox family farm.</p>	<p>Don Cox decox14@gmail.com</p>
<p>L. Need for multi-purpose performance space</p>	<p>Large facility at 222 Washington Street is almost ready for use. 3 to 5 community members are invited to connect with Merrimack Valley Music and Arts—to join in a monthly meeting about addressing performance needs/opportunities through this new venue.</p>	<p>Letriah Masters 1letriahmasters@gamil.com</p>
